25X1 5. [ ] Called Mildred Ward, Secretary to Senator John Stennis, and suggested several possible dates for the Senator's lunch visit at Headquarters with the Director this week, the Director's preference being for Wednesday. Later in the day she said Wednesday was fine for the Senator and we will pick him up at Walter Reed Medical Center (Ward 8, third floor) at 11:30 a.m.

25X1 6. [ ] John Goldsmith, Senate Armed Services Committee staff, called to say he has gotten the transcript back of the Director's appearance before the CIA Subcommittee in support of the legislation to extend the CIARDS quota and they will plan to release it for Wednesday morning papers.

25X1 7. [ ] Left with Guy McConnell, Senate Appropriations Committee staff, a paper "Open Appropriation for CIA." He has no immediate need for this but I told him he might want to keep it for future reference on this subject.

I also told McConnell that 6 June was agreeable for the Director for his budget session with the Intelligence Operations Subcommittee. McConnell said Chairman McClellan had approved the schedule and they were going ahead with it.

25X1 8. [ ] David Newhall, Administrative Assistant to Senator Richard S. Schweiker (R., Pa.), called concerning the case of an Agency employee who has been declared surplus. Newhall said the man has 21 years of service and needs only four more plus he apparently has been injured in the line of duty. The employee has been after Senator Schweiker to call the Director but Newhall would like to know the disposition of the case without having to bring the Senator and the Director into it. I told him I would check on it and give him a call.

25X1 9. [ ] Called Ed Braswell, Chief Counsel, Senate Armed Services Committee, and advised him of the Chairman's plans to have lunch with the Director at Headquarters on Wednesday.

I also told him that S. 1494 (the bill to extend the CIARDS retirement quota) passed the House this morning. I told him we again wanted to thank him and everyone else concerned for their assistance with the passage of the bill.
